

Versa Glute

VS-S78

Building and toning glutes has always been popular, but it's never been as accessible and comfortable as it is with our Versa Glute station. The upright user position and the low step-on height of the stabilization platform make it easy for users to get started. The chest pad adjusts to encourage proper body positioning, while the contoured elbow pads and large foot pad enhance comfort.

- Adjustable chest pad accommodates users of all sizes
- Low step height stabilization platform for ease of use
- Upright user position, contoured elbow pads & large foot pad for added user comfort
- Incremental weight
